Authorization to Use and/or Share My Information (“Authorization”)

I authorize my healthcare providers, pharmacies, health plans or payers (“my health care organizations”) to share personal and health information about me related to my Actelion PAH therapies (“my information”) with Actelion Pharmaceuticals US, Inc., its affiliates, agents and contractors (collectively, “Actelion”). Actelion agrees to protect my information and to use and share it only for the reasons listed below. I understand that my pharmacy may receive compensation in connection with sharing my information with Actelion as allowed under this Authorization.

I authorize my health care organizations to share my information with Actelion, in order for Actelion to: (1) contact me or my healthcare organizations, or others I have identified, about my disease or treatment; (2) confirm my health plan eligibility and benefits, identify other payers for my therapy, or determine whether I may be eligible for assistance programs; (3) enroll me in Actelion PAH therapies-related programs and provide therapy access support services; (4) perform analyses or improve or develop products, services, programs, or treatment, related to my disease; (5) provide me by any means of communication, including by e-mail, mail, or telephone (including voicemail), with information to educate or inform me about Actelion PAH therapies and ways to help me maintain my prescribed treatment; and (6) use and disclose my information for safety reasons or as required by law. This Authorization will expire 10 years from the date signed below unless a shorter period is required by the law of my state of residence.
